# Women's Bible Study

---

We are excited to dig into God's Word together again this year. Please join us for one of the great pleasures in life: reflecting on the life-giving words of Scripture with dear friends.

Bible studies meet on various days from September through May.

Fall sessions begin on Sept. 15, 2025.

## ***Revelation***

by Jen Wilkin

Come, take a stroll through the book of Revelation with author Jen Wilkin and our Monday Night Zoom Bible Study women! We are going to move slowly, taking time to "smell the roses" or at least to notice all that is going on in this last (but not least) book of the Bible. Revelation can be intimidating with all its images and ideas that tend to make us scratch our heads. The back cover of the study book says, "... If all Scripture is God breathed and profitable, we should assume Revelation is as accessible and helpful as any other book of the Bible. Why don't we see it that way? Two thousand years

ago John's Revelation was circulated among seven churches in Asia Minor. Those who read the letter understood it and drew encouragement from its message. The same can be true for us today." Jen Wilkin is a dynamic Bible Study leader who always gives us a lot of information and makes us dig into the Word for understanding.

Monday Evenings (via Zoom)

7:00 - 8:30 p.m.

Led by Arlene Flye, Laurel Santner & Denise Parshall. Contact Arlene for info and to sign-up at [paflyes@gmail.com](mailto:paflyes@gmail.com).

## ***I Peter: A Living Hope in Christ***

by Jen Wilkin

Peter, a man of faith and flaws and an eye-witness to the life of Christ, challenges us to look beyond our current circumstances to a future inheritance. In I Peter, he shares concerns about big picture issues for the early believers, reminding them of the living hope they have in Christ. Peter describes our true identity as believers and points us to the way of humility and submission.
