The Beatitudes: Developing Spiritual Character

by John Stott

The beatitudes reveal to us eight qualities that bring God's blessing: meekness and mercy, poorness in spirit and purity of heart, mourning and hunger, peacemaking and persecution. Jesus highlighted these to offer both encouragement and instruction on living distinctly as his followers in a world with values much different from God's. As we study these qualities and integrate them into our lives, we will receive the blessing Jesus promised to his followers then and now.

Gideon

by Priscilla Shirer

Do you feel overwhelmed? Intimidated? Insufficient? Too old? Too young? Gideon's story involves far more than a wet fleece and a battle won with 300 soldiers. His epic victory actually tells of one man's struggle with his own weakness - and the One True God who transformed it into triumph. So if you've ever struggled with insecurity or had trouble accepting your limitations, this study will help you see how God can use our weakness to unlock His strength. Yes, Gideon can attest - weakness is a gift!
