

Letter from the President: ASIST Scholarship

Hey y'all! I'm still giddy from the wonderful evening of celebration for this year's ASIST* Scholarship recipient Viktoria (Vika) Lomonosova! What a blessing to hear her story and share conversation with her guest, current and former EWI members, ASIST judges, previous ASIST Scholarship recipients and new guests in the room. As in many past years, Maggiano's has been a perfect backdrop for sharing stories around a table of delicious family-style dishes! Commovente!

Vika's story reveals a deep dedication to hope, family and giving. Originally from Ukraine, she is pursuing a career as a Certified Registered Nurse Anesthetist (CRNA). She believes that diversity is less about highlighting differences and more about finding common ground. As a nurse in a Cardiovascular Intensive Care Unit, she provides heartfelt comfort to patients through small, consistent acts of kindness—offering a comforting word or simply listening to each patient. Her father is presently giving medical support in war-torn Ukraine, and Vika hopes to someday share her CRNA training in an organization such as Doctors without Borders.

EWI of Nashville congratulates Vika Lomonosova and hopes this scholarship will help with daily challenges of balancing night shifts, studies and family. We commend her desire to pursue a path of service and look forward to her boundless future success.

Sincerest regards,

Pam Evans
