Dear Future Homeowner:

Thirty-six Olympic Oaks Drive will always hold a special place in our hearts.

There have been countless birthday parties, family celebrations, dinner parties, laughter, sometimes tears, and the constant feeling of safety, joy, and comfort.

When we landed here however, in 2013, we were in a challenging place as a family. My (Sheryl) kids were in middle school and high school, and we were processing a recent divorce which was sad and taxing for everyone.

Thirty-six Olympic Oaks caught us, embraced us, and provided a safe place for us heal and move forward. This home helped my kids graduate with honors from Acalanes High School, go on to have wonderful experiences and graduate from UC Berkeley, Cal Poly, and the University of San Diego. It also was an occasional landing pad and gathering place as came and went after moving on to their adulting life. For all those things, I will be forever grateful.

In the little shed/office in the backyard is where I created my business from an idea and grew my coaching practice beyond where I thought possible.

There were countless evenings in the hot tub witnessing the clouds moving across the stars and getting up early to witness the sun coming up through the trees.

It was in that warmth and silence that I decided I would empower 10,000 women a year to become Fearless Female Leaders and to tie the success of my business to our sister company Girl Up Initiative Uganda.

In the Summer we pick figs that are so plentiful that the fig tree practically falls over. Trust me, they are coming! Even if you only see sticks now. You won't need to buy apples, pears, or peaches in the Summer either.

The inside and outdoor spaces of this home have been the backdrop for intimate and large family gatherings, joyous celebrations, and quiet moments of reflection. Each corner is filled with sunlight, and every window frames the lush, natural beauty of Lafayette. Both backyards have been the site of summer barbecues, spring gardening, tranquil mornings with a cup of coffee, making it a perfect blend of indoor and outdoor living.

Living here, we've experienced the best of both worlds: the privacy and security of a gated community, and the convenience of being just minutes away from downtown Lafayette and close proximity to the wine county, San Francisco, and so many other amazing places.

The proximity to nature trails and parks has offered us endless outdoor adventures, enriching our lives with the beauty and tranquility of nature. Nearby Lafayette/Moraga Trail is where our kids rode their bikes to Stanley Middle School, where we walked and ran often alone in solitude or with friends.

We've cherished every moment spent here and we hope that it brings as much joy and fulfillment to you as it has to us. We invite you to create your own memories in this beautiful home and to enjoy the wonderful community that has been such an integral part of our lives. Welcome to your new home, where we hope you will love and cherish every moment as much as we have.

With warm regards,
Sheryl Kline & Scott Danish
