

LIFE STORY

A Life Story is a clear, concise overview of important aspects of your relationship with the Lord. We include this as part of our time together in small groups in order to help people get to know one another as we build community. It also equips us to incorporate the gospel into our life stories. Ultimately, the greatest tool for evangelism is personal life change!

CREATION: DESCRIBE YOUR BACKGROUND BRIEFLY

- What was your family dynamic?
- Were you raised in the church? Explain.
- Who or what most shaped who you were?
- From where did you derive your value and Identity?

FALL: DESCRIBE WHO YOU WERE BEFORE YOU KNEW CHRIST

- What things marked your life before you knew Christ?
- Why was your relationship with God and others not the way it was supposed to be?
- In what achievements, people, or things did you place your hope?
- Who or what in your life opened your eyes to your need for Christ?

REDEMPTION: DESCRIBE HOW THE GOSPEL TRANSFORMED YOUR LIFE

- How did the gospel impact your life?
- How did you come to put your faith and trust in Jesus?
- Who played an instrumental role in your understanding of the gospel?

SANCTIFICATION: DESCRIBE YOUR CURRENT WALK WITH THE LORD.

- How has your life been changed by the gospel?
- How would you describe your current relationship with the Lord?
- In what ways are you actively engaging in the kingdom?

At the end, allow time for the group to ask questions. In total, a Life Story should take no longer than 15 minutes.
